Subject: Extension Request to submit Water Management Plan

Dear Ms Hateley

I refer to your request, dated 18 March 2026, for an extension of time under condition 26 of Schedule 3 to submit the Water Management Plan (WMP) for the Invincible Colliery MP 07_0127.

The Department notes that Castlereagh Coal has been working with the NSW Environment Protection Authority (EPA) to address water management matters at Invincible Colliery.

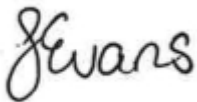

The Department understands that the additional time requested is to allow sufficient time for review of the WMP by the EPA and the DCCEE Water Group, and for your consultants to revise the WMP accordingly.

Therefore, the Secretary has granted the following extensions:

- Site Water Balance – 15 May 2026
- Surface Water Management Plan – 30 June 2026
- Groundwater Management Plan – 30 June 2026

If you wish to discuss the matter further, please contact Melanie Hollis on 8217 2043.

Yours sincerely

Jessie Evans
