Dear Ms Warton

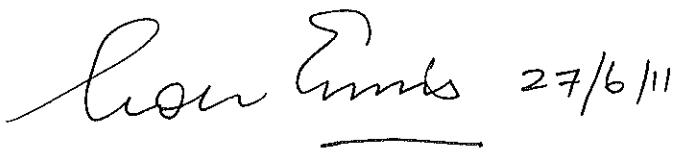

I refer to your letter received by the Office of Environment and Heritage (OEH) on 23 May 2011 inviting a submission from OEH on the Environmental Assessment (EA) for Sydney University Abercrombie Precinct Redevelopment (MP07_0158).

OEH has reviewed the EA and provides the following comment in relation to cultural heritage issues.

Whilst no State Heritage Register listed items exist on the subject site, the site contains archaeological evidence. An appropriate archaeological assessment has been undertaken as part of the evidence. An appropriate archaeological assessment has been undertaken as part of the documentation and the recommendations made in the assessment need to be undertake.

If you have any queries regarding this matter please contact Susan Harrison on 9995 6864.

Yours sincerely
