Dear Ms Warton,

**SYDNEY UNIVERSITY ABERCROMBIE PRECINCT REDEVELOPMENT
ENVIRONMENTAL ASSESSMENT EXHIBITION (MP07_0158)**

Thankyou for your letter dated 23 May 2011 regarding this Environmental Assessment exhibition. The Department of Transport (DoT) appreciates the opportunity to comment on this application.

The DoT has reviewed the Environmental Assessment and appended Traffic Assessment, and has no objections to the proposed development. However, in order to support the current mode share and encourage greater mode shift to bicycles, the DoT recommends the University of Sydney continues liaising with Council to investigate additional formalised bicycle paths be considered as part of the redevelopment, particularly for the primary linkages to public transport and the north-south walkway, and that they connect to any existing routes surrounding the site.

Should you have any questions, please contact Lauren O'Connor on 02 8202 2292 or Lauren.O'Connor@transport.nsw.gov.au

Yours sincerely
