Subject: Abercrombie Street proposed student accommodation

Dear Mr McManus

this is not meeting the deadline for comments on this proposal which was 11 November. However I hope you don't mind if I just say I was very concerned when I saw the pictures of the development. They look like square cubes and are sympathetic to the adjacent University and residential structures. I also believe the height and scale are not appropriate. I think they should be redesigned. It is not hard to build large structures which have elements of neighbouring buildings and fit into the landscape.

thank you

regards
Susannah Dale.
