Subject: Submission regarding Applic no MP07_0158 MOD 3 Syd Uni Abercrombie precinct

To Peter McManus

From Judy Ellis, 41 Golden Grove St Newtown 2042

Ref Modification Request for the University of Sydney Abercrombie Precinct Redevelopment

Application no: MP07_0158 MOD 3

I wish to object to the modification request and ask that the following issues are addressed

The student accommodation building should be set back from Abercrombie Street, in line with Mandelbaum House

Extensive vegetation and trees should be planted in front of the building on Abercrombie Street to preserve heritage streetscape

The building should not accommodate more students than was originally approved but should be scaled back to accommodate fewer students

There should be an onsite manager 24 hours a day to ensure that any issues be addressed promptly

Yours faithfully

Judy Ellis
