Subject: Port Kembla Coal Terminal – Air Quality Management Plan

Dear Mr Pascot

I refer to the Air Quality Management Plan submitted in accordance with the relevant conditions of consent for the Port Kembla Coal Terminal (08_0009).

I note that the plan has been updated following submission of the 2022/2023 Annual Environmental Management Report. The Department has carefully reviewed the document and is satisfied that it meets the requirements of the approval conditions.

Accordingly, as nominee of the Planning Secretary, I approve the Air Quality Management Plan (Rev 19, dated 21 August 2023).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Philip Nevill on (02) 8275 1036.

Yours sincerely
