Dear Director-General

Attention: Sumathi Navaratnam

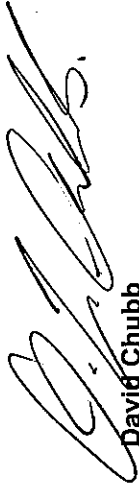

Proposed Part 3A Project for the redevelopment of the Museum of Contemporary Art

The Museum of Contemporary Art (MCA) at 140 George Street, The Rocks proposes to carry out development that will redevelop the existing MCA and add an additional wing to the building.

The Department of Planning has already formed an opinion that this proposal is a Major Project and that Part 3A of the Environmental Planning and Assessment Act, 1979 (the Act) applies. This application under section 75E of the Act is a request for Director-General's Requirements to be issued for the project under section 75F. Attached is a completed Application Form and a Preliminary Environmental Assessment.

If you have any queries please contact Shivesh Singh on 02 9237 7040.

Yours faithfully
