**PUBLIC DOMAIN AREA, DARLING WALK
DESIGN STATEMENT**

We herewith certify that the design of the lighting for the Public Domain Area of the Darling Walk Project complies and meets with the requirements of Australian Standard AS4282 – 1997. Control of the obtrusive effects of outdoor lighting, and also Australian Standard AS/NZS 1158.3.1 – 2005. Pedestrian Area Lighting.

The main light source is provided by a post top luminaire, the fitting incorporates a Philips long life CosmoPolis stepped dimmed lamp.

At 100% capacity the light levels comply with Category P7.

At 50% dimmed capacity the light levels comply with Category P1 (P8), the default lighting level indicated in clause C.3 of the City of Sydney lights design code.

The Bathurst street pedestrian bridge and civic connector will comply with Category P8 utilizing floodlights fixed to the building.
