Dear Steve,

Re: Project Approval 08_0101 Schedule 2 Condition 9 – Surrender of Consents and Approvals

Integra Underground is required to surrender DA 105/90 in accordance with Condition 9 of Schedule 2 of Project Approval 08_0101.

An extension of time for the consent surrender was granted until 30 June 2023.

A Government Information Public Access application was made to Singleton Council requesting the details of owner's consent submitted with the original Development Application. This to determine if landowner consent was required and whether this includes landowners unlikely to give their consent. This has not been provided to date.

Notwithstanding, Integra Underground has also been unable to obtain consent from all landowners to date. Several landowners were either unresponsive or indicated that they are unlikely to give their consent.

Integra Underground seeks agreement from the Secretary for an extension of time to surrender DA 105/90 to 31 December 2023.

Should you have any questions in relation to this matter, please do not hesitate to contact the undersigned at scott.wolfenden@glencore.com.au

Yours sincerely
