Subject: Approval of Revised Integra Underground Project Water Management Plan

Dear Mr Wolfenden,

I refer to your submission dated 30 October 2023, requesting approval of the Revised Water Management Plan in accordance with Condition 31, Schedule 3 for the Integra Underground Project (MP08_0101). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of MP08_0101.

Accordingly, as nominee of the Planning Secretary, I approve the Water Management Plan (Version 9.0, dated 17 April 2023). The Planning Secretary also agrees, in accordance with Condition 7 of Schedule 5, that consultation with each of the relevant parties listed in Condition 31 is not required given the administrative nature of the updates.

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kiera Plumridge at kiera.plumridge@dpie.nsw.gov.au or on 02 8836 0060.

Yours sincerely
