Subject: Approval of Revised Environmental Management Strategy

Dear Mr Wolfenden

I refer to the revised Environmental Management Strategy which was submitted in accordance with Condition 1 of Schedule 5 of the development consent for the Integra Underground Project (MP08_0101).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in MP08_0101, noting the changes were largely administrative in nature.

Accordingly, as nominee of the Planning Secretary, I approve the revised Environmental Management Strategy (version 5, dated September 2023).

You are reminded that if there are any inconsistencies between the revised Environmental Management Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact me on (02) 4908 8696.

Yours sincerely
