Subject: Environmental Management Strategy

Dear Mr Knight

I refer to the Environmental Management Strategy (EMS) Revision 1.4, submitted to the Department of Planning, Housing and Infrastructure (the Department) as required under Schedule 5, condition 1 for the Rix's Creek North Open Cut Project (MP08_0102). The EMS has been updated to address relevant changes resulting from the Modification 10 consent approved on 5 March 2025.

Accordingly, as nominee of the Planning Secretary, I approve the revised Environmental Management Strategy (Revision 1.4, dated 14/07/2025).

You are reminded that if there are any inconsistencies between the plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Sarah Kamarudin, Senior Planning Officer on 02 8275 1861 or email sarah.kamarudin@dpi.nsw.gov.au.

Yours sincerely
