Sydney NSW 2000

Dear Heather,

Major Project MP08 0116 – Potts Hill Residential Estate – Civil Works Stage 2
Section 75W Modification No. 2

Please find attached an environmental assessment for a 75W modification for the Potts Hill project. The application seeks minor modification to some lot configurations.

The first stage of the project is now under construction. These changes will assist Landcom to secure registration of the lots in the next few months and assist in meeting our 10,000 lot development program. Your urgent assistance with these modifications would be greatly appreciated.

Should you have any questions, please don't hesitate to contact me on (02) 9841-8681.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "N. Chandler", with a long horizontal stroke extending to the right.

Nick Chandler
