The Department has carefully reviewed the OEMP and associated sub-management plans and is satisfied that it meets the requirements of these conditions.

Accordingly, as nominee of the Planning Secretary, I approve the following documents:

- Noise Management Plan (NMP), prepared by Atkins Acoustics and Associates Pty Ltd, dated September 2021.

You are reminded that if there are any inconsistencies between the approved documents and the conditions of consent, the conditions prevail.

Please ensure you make the documents publicly available on the project website at the earliest convenience.
