Subject: Orica Ammonium Nitrate Expansion Project (MP08_0129) – Noise and Vibration Management Plan (NVMP)

Dear Mr Robinson,

I refer to your submission dated 15 July 2024, requesting approval of the updated Noise and Vibration Management Plan (NVMP) and consultant qualifications and experience submitted in accordance with Condition 32 of Schedule 3 of MP08_0129.

The Department has carefully reviewed the NVMP and the consultants qualifications and experience and is satisfied that it meets the requirements of the condition.

Accordingly, as nominee of the Planning Secretary, I approve the following:

- The appointment of Atkins Acoustics and Associates Pty Ltd as a suitably qualified and experienced expert; and
- The NVMP prepared by Atkins Acoustics and Associates Pty Ltd, Revision 3, dated 30 June 2024.

You are reminded that if there are any inconsistencies between the approved plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Shaun Williams on (02) 8275 1345 or shaun.williams@planning.nsw.gov.au.

Yours sincerely
