Orica Ammonium Nitrate Expansion Project (MP08_0129) – Noise and Vibration Management Plan (NVMP)

Dear Mr Robinson

I refer to your submission submitted to the Department on 1 December 2025, requesting approval of the updated Noise and Vibration Management Plan (NVMP) in accordance with Condition 32 of Schedule 3 of MP08_0129.

The Department has carefully reviewed the NVMP and the is satisfied that the NVMP has been updated to include the latest project works approved in MP08_0129 Mod 8, seeking to remove an electrical substation and replace with a 33kV electrical substation.

Accordingly, as nominee of the Planning Secretary, I approve the Noise and Vibration management Plan prepared by Atkins Acoustics and Associates, Revision 4, dated 26 November 2025.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Katherine Klouda at Katherine.klouda@planning.nsw.gov.au.

Yours sincerely

Sarah Kamarudin
Acting Team Leader
Infrastructure Management

As nominee of the Planning Secretary
