Dear Sir,

HANSON- BASS POINT QUARRY DEVELOPMENT APPLICATION- 08 0143

I support Hanson's application for the Bass Point Quarry, Shellharbour.

The quarry extension will:

- Secure the supply of much needed construction aggregates for Illawarra and Sydney area.
- Secure ongoing subcontractor work associated with the quarry.
- Not significantly change the nature of the quarry's current operations
- Minimise environmental impacts as it is within the quarry's freehold land

I urge you to approve the quarry to secure the supply of much needed construction aggregates for the Illawarra and Sydney area, and the economic benefits to other businesses in the area.

I also declare that I have not made any political donations in the past two (2) years nor am I an associate of the Applicant.

Yours faithfully,
