16/11/2020

Dear Ms Pignone

**Bass Point Quarry Project (MP08\_0143)  
Approval of Noise and Blast Management Plan**

I refer to the revised Noise and Blast Management Plan (Plan), dated 9 October 2020, Revision No. 12, which was submitted in accordance with conditions 6 and 13 of Schedule 3 of the Bass Point Quarry Project development consent (Project).

The Department has carefully reviewed the document and finds that it meets the requirements of the development consent. Consequently, the Planning Secretary has approved the Plan.

Please place a final untracked version of the approved Plan on the Project's website at your earliest convenience.

If you have any enquiries in relation to this matter, please contact Melissa Anderson on 8275 1392.

Yours sincerely

Matthew Spratt
