I refer to your request for an extension of time to submit the following management plans, as required under the conditions of approval for the Bass Point Quarry (MP 08_0143):

- Air Quality Management Plan;
- Noise and Blast Management Plan;
- Transport Management Plan;
- Environment Management Strategy;
- Surface Water Management Plan;
- Groundwater Management Plan;
- Killalea Lagoon Management Plan; and
- Landscape Management Plan.

The Department notes that although the Cultural Heritage Management Plan has been lodged with the Department, the remaining and outstanding plans are currently undergoing final revisions and consultation with government agencies in order to be finalised.

Yours sincerely
