Dear Mr Degotardi

**Metropolitan Coal (MP08_0149)
Stream Remediation Plan**

I refer to the revised Stream Remediation Plan, which forms part of the Water Management Plan required under Condition 6 of Schedule 3 of Project Approval MP08_0149.

The Department has reviewed the revised document and considers the additional shallow streambed drilling is likely to improve the remediation outcomes.

The Secretary has approved the Stream Remediation Plan (Revision E, dated June 2021). Please ensure that the approved plan is placed on the Metropolitan Coal project website at your earliest convenience.

If you wish to discuss the matter further, please contact Rose-Anne Hawkeswood on 9274 6324.

Yours sincerely
