Dear Jessie,

RE: Bulli Seam Operations Project (MP 08_0150)
Appin Mine– Longwalls 709 to 711 and 905 Extraction Plan – response to SA NSW residual comments

I refer to the Subsidence Advisory NSW (SA NSW) letter dated 11 February 2022, regarding the assessment of the Extraction Plan (EP) for Appin Mine's LWs 709-711 and LW 905 and the engagement that the Department has undertaken on it with relevant government agencies.

The letter provides additional feedback from SA NSW regarding the EP application.

In response to this additional feedback, the following document will be uploaded to the Department's Major Project Portal:

Yours sincerely
