Dear Ms Zanotto

I refer to your submission dated 11 June 2025, responding to Condition 3 of the Appin Mine Extraction Plan – Longwalls 709-711 and 905 approval. I note that this submission has been revised to address the advice received from the Independent Expert Advisory Panel for Mining (the Panel) dated 29 May 2025.

The Department has carefully reviewed the document, including a letter outlining your response to the Panel's advice dated 11 June 2025, and is satisfied that it meets the requirements of Condition 3 of the Extraction Plan approval.

You are reminded that if there are any inconsistencies between the document and the conditions of approval, the conditions prevail. Please ensure you make the documents publicly available on the project website at the earliest convenience.
