Dear Mr Schultz

**Bulli Seam Operations (MP08\_0150)  
Traffic Management Plan**

I refer to the Appin Mine Traffic Management Plan, which has been updated primarily to include details of brine transport from the mine.

The Department has reviewed the document and is satisfied that it addresses the requirements of conditions 25 and 26 of Schedule 4 of Project Approval MP08\_0150.

Accordingly, the Planning Secretary has approved the Traffic Management Plan (Revision 3.0, dated June 2020). Please ensure that the approved plan is placed on the project website at your earliest convenience.

If you wish to discuss the matter further, please contact Emily Murray on 02 8837 6041.

Yours sincerely
