Subject: Appin Mine Surface Activities Management Plan

Dear Chris,

I refer to the Appin Mine Surface Activities Management Plan submitted in accordance with the conditions of consent for the Bulli Seam Operations Project (MP08\_0150).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent (MP08\_0150). Accordingly, as nominee of the Planning Secretary, I approve the Surface Activities Management Plan (rev 2.0, November 2024).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience. If you wish to discuss the matter further, please contact Emily Pemberton on 02 8275 1783.

Yours sincerely
