Bulli Seam Operations – Gas Drainage Management Plan

Dear Mr. Schultz

Thank you for submitting the Gas Drainage Management Plan in accordance with Condition 21, Schedule 4 of the consent for the Bulli Seam Operations (MP08_0150-PA-116). I also acknowledge your response to the Department's review comments and request for additional information.

I note that the Gas Drainage Management Plan was updated with general administrative changes and revised to reflect the change from South32 to GM3. Accordingly, as nominee of the Planning Secretary, I approve the revised Gas Drainage Management Plan (Rev 7.0, November 2024).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience. If you wish to discuss the matter further, please contact Charissa Pillay on 0299955944.

Yours sincerely

Jessie Evans
