Subject: Approval of the Appin Mine Waste Management Plan

Dear Mr Schultz,

I refer to the Appin Mine Waste Management Plan, dated 26 November 2025, submitted in accordance with Condition 29, Schedule 4 of the approval for the Bulli Seam Operations Project (MP08_0150). I also acknowledge your response to the Department's review comments.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of the approval (MP08_0150).

You are reminded that if there are any inconsistencies between the Waste Management Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience. If you wish to discuss the matter further, please contact Gabriel Wardenburg on (02) 9585 6810.

Yours sincerely
