Subject: Bulli Seam Operations – Environmental Management Strategy

Dear Mr Schultz

I refer to the Environmental Management Strategy submitted in accordance with conditions 1 and 5, Schedule 6 of Project Approval 08_0150 for the Bulli Seam Operations. I also acknowledge your response to the Department's review comments and request for additional information.

I note the Environmental Management Strategy has been prepared in consultation with Wollondilly Shire Council and contains the information required by the conditions of approval.

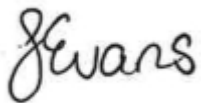

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of approval for the Bulli Seam Operations (08_0150).

You are reminded that if there are any inconsistencies between the Environmental Management Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Polina Golberg on 02 8275 1072 or at polina.golberg@dpie.nsw.gov.au.

Yours sincerely
