Dear Mr Shultz

I refer to the Appin Mine Surface Activities Management Plan submitted in accordance with Condition 22, Schedule 4 of the approval for the Bulli Seam Operations Project (08_0150).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of approval 08_0150.

Accordingly, as nominee of the Planning Secretary, I approve the Appin Mine Surface Activities Management Plan (Version 1.0 dated January 2023).

You are reminded that if there are any inconsistencies between the management plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

Yours sincerely
