Subject: Bulli Seam Operations – Appin Mine Gas Drainage Management Plan

Dear Mr Schultz

I refer to the Appin Mine Gas Drainage Management Plan (version 6.0, dated March 2024) submitted in accordance with Condition 21, Schedule 4 of the consent for the Bulli Seam Operations Project (MP 08_0150).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent.

Accordingly, the Planning Secretary has approved the Appin Mine Gas Drainage Management Plan (version 6.0, dated March 2024). Please ensure that the approved plan is placed on the project website at the earliest convenience.

The Department notes that Condition 21, Schedule 4 of MP 08_0150 listed in Appendix 1 of the Appin Mine Gas Drainage Management Plan does not reflect April 2022 modification (MOD 3). The Department requests that Appendix 1 of the Appin Mine Gas Drainage Management Plan is reviewed and updated to be consistent with the latest conditions of consent within 6 weeks of the approval of the plan (this letter). As part of this update, please also update the Department's title to reflect the latest restructure (i.e. Department of Planning, Housing and Infrastructure).

You are reminded that if there are any inconsistencies between the Appin Mine Gas Drainage Management Plan and the conditions of approval, the conditions prevail.

If you wish to discuss the matter further, please contact Polina Golberg on 02 8275 1072 or via email at polina.golberg@dpie.nsw.gov.au.

Yours sincerely

Jessie Evans
Director, Energy and Resource Assessments

As nominee of the Planning Secretary
