Good afternoon Jane, as a landholder closely located to the proposed residential and seniors development i would appreciate receiving information as to the owner of the land covered by this development. The applicant Land Dynamics does not indicate who owns the property therefore I am unable to establish the exact location of the property and the possible impact on my property having received a notification letter from your Director.

In addition an overall site map relative to Phillip Drive would be most helpfull.

thankyou, Mrs. S, Jenkins, please
