Dear Mr Anderson,

**Kings Forest Stage 1 Bulk Earthworks, Roadworks and  
Subdivision of Precinct 5 Project Approval –  
Feral Animal Management Plan**

Thank you for your correspondence, dated 17 December 2020, seeking approval of the Feral Animal Management Plan in accordance with Conditions 39 and 44 of the Kings Forest Stage 1 Project Approval (MP 08\_0194, as modified).

The Department has reviewed the Feral Animal Management Plan (FAMP) and considers that it satisfies Conditions 39 and 44.

Accordingly, the following document is approved under the delegation of the Secretary of the Department of Planning, Industry and Environment:

- *Kings Forest Feral Animal Management Plan*, Version RW7, dated 17 December 2020, prepared by JWA Ecological Consultants.

The Feral Animal Management Plan is approved subject to the following:

- Amendments to Appendix 1 and the plan, where relevant, to reference Term of Approval C2 of the Concept Plan Approval.

In accordance with the endorsed adaptive management approach, an updated FAMP reflecting the above requirement must be provided to the Department within one month of the date of this letter. The requirement must also be reflected in the annual reporting for the FAMP.

The above approved document will now be made publicly available on the Department's Major Projects Website.

Yours sincerely,

Keiran Thomas
