Subject: Amendment to construction phase water quality monitoring suite and sediment basin release criteria for the Kings Forest Development, Kings Forest MP 08_0194

Dear Mr Anderson,

I refer to the submission from Gilbert+Sutherland, dated 13 March 2023, (listed below), seeking endorsement of the proposed amendment of, and consequent amendments to, the Overall Water Management Plan and Summary of Management Plans, under the endorsed adaptive management approach (AMA) for the Project Approval.

1. Cover letter to DPE from Gilbert+Sutherland, titled, "Re: Approval to amend construction phase water quality monitoring suite and sediment basin release criteria for the Kings Forest Development, Kings Forest, New South Wales", dated 13 March 2023.
2. Letter to Tweed Shire Council from Gilbert+Sutherland, titled, "Re: Amendment to construction phase water quality monitoring suite and sediment basin release criteria for the Kings Forest Development, Kings Forest, New South Wales", dated 18 January 2023, including Attachments 1 and 2.

I note that the submission:

- has been prepared in consultation with Tweed Shire Council;
- has been reviewed by the Department which raises no issues;
- will be included in changes to the Adaptive Management Log; and
- is consistent with the AMA.

Accordingly, as nominee of the Planning Secretary, I raise no objection to the submission.

Please ensure that:

- In accordance with the AMA, the monthly updated log of changes to each management plan is published on the project website; and a copy of the adaptive management log is included in the relevant Annual Monitoring Reports.

- The monitoring is subject to continued management and review by the project's Environmental Officer (Dr. Michelle Mills).

Please make the submission publicly available on the project website at the earliest convenience.

Yours sincerely,

A handwritten signature in blue ink, consisting of the letters 'K' and 'T' followed by a long, horizontal, wavy line.
