In respect of:	Hume Highway Upgrade Woomargama bypass — Environmental assessment	
Applicant name:	NSW Roads and Traffic Authority	
Applicant address:	Hume Highway Office 1 Simmons Street Wagga Wagga NSW 2650	
Proposed development:	The NSW Roads and Traffic Authority proposes to construct a dual carriageway bypass of the village of Woomargama, located on the Hume Highway. The bypass would be approximately nine kilometres in length, and would be located to the west of Woomargama village. The project would include the construction of a northern at-grade intersection approximately 6.5 kilometres north of Woomargama village, bridges over Sandy Creek, six deep cuttings, twin bridges over Mountain Creek and a southern at-grade intersection approximately two kilometres south of Woomargama village.	
Land to be developed:	Land generally required for the design refinement, construction and operation of the proposed development (see Figures 5-1, 5-2, 5-3).	
Environmental assessment:	An environmental assessment is attached, which addresses all matters in accordance with Part 3A of the <i>Environmental Planning and Assessment Act 1979</i> .	
Declaration	I certify that I have prepared the contents of this environmental assessment in accordance with the Director-General's Requirements (DGRs) dated 10 December 2008 and DGR clarification dated 29 May 2009 and that, to the best of my knowledge, the information contained in the environmental assessment is not false or misleading.
