Dear Fiona

Submission in response to section 75W Application to vary Major Project Approval MP08_0241

MITSA Pty Ltd advises the Department it wishes to remove its objection to the above (letter objection dated 4 October 2016).

Since our objection was made, we have taken emergency action at the Land & Environment Court on 10 October 2016 to heavily restrict demolition operations at 100 Mount, which was successful.

As part of the agreement reached at court, MITSA is to remove the objection to the above. I will stress this does not mean we support the application, it merely suggests we withdraw our objection at this time. Should Laing O'Rourke not comply with its court order, we will seek to engage with the Department to the option on having our original objection reinstated.

Please contact Matthew McQueen, 02 9186 4700 or 0432 303 290 for all aspects on this matter.

Yours faithfully

Matthew McQueen
