23-37 Lindfield Avenue & 11 Havilah LA Lindfield - Acoustic Review of Loading Dock

This letter confirms that an acoustic review of the proposed loading dock associated with the Lindfield Avenue development has been undertaken by this office. The proposed loading dock is located to the north east of the site as detailed in the figure below.

ABN: 11 068 954 343

The information in this document is the property of Acoustic Logic Consultancy Pty Ltd ABN 11 068 954 343 and shall be returned on demand. It is issued on the condition that, except with our written permission, it must not be reproduced, copied or communicated to any other party nor be used for any purpose other than that stated in particular enquiry, order or contract with which it is issued.

To ensure the acoustic amenity of the residential receivers within the vicinity of the loading dock the following acoustic treatments and controls are recommended;

1. The loading dock does not accept or depart trucks during night time hours.
2. The roller shutter door should be closed during periods when loading and unloading is being undertaken.
3. Trucks should not be stacked waiting for access to the dock adjacent to residential properties and the use of radio equipment should be used to ensure this does not happen.

Providing these controls are adopted the acoustic amenity of the residence within the vicinity of the loading dock will be protected.

We trust this information is satisfactory. Please contact us should you have any further queries.

Yours faithfully,

A handwritten signature in dark ink that reads "B.G. White." The signature is written in a cursive, slightly slanted style.
