Re: MP 08_0252 – Flyers Creek Windfarm Updated Notification of Operations

Dear Secretary

In accordance with the projects Development Consent (reference MP08_0252), Condition of Approval C10, Flyers Creek Wind Farm Pty Ltd is providing an update to the Department on timing of the project entering operations from previously communicated planned timing (correspondence 07/01/2025, FLYW-IBR-LTR-00).

The project will now commence full operational status on the 11th of July 2025.

In connection with this notification the projects Operational Environmental Management Plan (OEMP), as approved by the Department on 6th June 2025 (Ref: MPO8_0252-PA-50), is actively being implemented onsite by the Iberdrola Operations Team.

If you have any questions enquires relating to this notification, I'm happy to be contacted on the below details.

Josh Fitzgerald
