Dear Mr Cockerell

**Elf Mushroom Farm and Substrate Plant Project
Updated Water Management Plan (MP08_0255-PA-1)**

I refer to your recent correspondence regarding the Elf Mushroom Farm and Substrate Plant Project (08_0255). I understand you are seeking the Planning Secretary's acceptance of the substrate plant's updated Water Management Plan (WMP), pursuant to Schedule 3, conditions 17 and 17A of the project approval.

The Department of Planning, Industry and Environment (the Department) has reviewed the updated WMP and concludes it adequately addresses the requirements of the relevant conditions of approval. Accordingly, I approve the following version of the plan:

- Mushroom Substrate Plant, Mulgrave – Water Management Plan, prepared by Elf Farm Supplies Pty Ltd, dated June 2020, issue 03.

Please be reminded that the updated WMP must be implemented for the life of the project. In addition, you must ensure that a copy of the approved plan is placed on the project's website at the earliest convenience, pursuant to Schedule 5, Condition 8 of the project approval.

Should you have any queries in relation to this matter, please contact Patrick Copas on (02) 9274 6273, or via email at patrick.copas@planning.nsw.gov.au.

Yours sincerely
