Dear Ms Chapman,

**RE: Part 3A – Application Number MP09\_0006**

I, Renee Donnel (name) of 37 Regent rd Rutherford  
(address) oppose the application to expand National Ceramic Industries Australia's tile factory if the approval will allow the tile factory to emit more pollution into our environment.

I am extremely concerned with the amount of odour, noise, fluoride and air pollution in the Rutherford area and oppose the government allowing more pollution to enter our environment.

I also call on government to monitor pollution on a regular basis and to prosecute the companies that are polluting our environment.
