Dear Ms Chapman,

RE: Part 3A – Application Number MP09_0006

I, Mark Mungana (name) of 17 Lisa Place Rutherford 2520
(address) oppose the application to expand National Ceramic Industries Australia's tile
factory if the approval will allow the tile factory to emit more pollution into our
environment.

I am extremely concerned with the amount of odour, noise, fluoride and air pollution in the
Rutherford area and oppose the government allowing more pollution to enter our
environment.

I also call on government to monitor pollution on a regular basis and to prosecute the
companies that are polluting our environment.
