Briefing Note

The Kinghorn Cancer Centre

Modification to Approved Development Consent for Amendments to Northern Facade Signage and Lighting

As the Trustees are the land and building owners, your consent is respectfully sought to lodge a modification to the approved development consent for amendment to the northern facade signage and lighting. The modification will be lodged with the Department of Planning.

The matter has been considered and approved by the project control group, and hence is recommended for your consent. Enclosed are drawings showing the amended northern facade signage and lighting.

Recommendation: That the attached Modification to Approved Development Consent is signed by the Trustees.
