Dear Mr Ritchie

ORANGE WASTE PROJECT – MODIFICATION (09_0025 MOD 1)

I refer to your letter to the Environment Protection Authority (EPA) dated 27 February 2012 in regards to a Project Approval Modification submitted by Orange City Council (Council) to the Department of Planning & Infrastructure for the Orange Waste Project in the Orange and Cabonne Local Government Areas.

The EPA has undertaken a review of the Project Approval Modification and understands that the proposed changes are primarily to road and building design and/or layout only and that the waste management strategies remain the same.

Therefore, the proposed changes do not fall within the EPA's area of responsibility.

As such, the EPA has no objection to the proposed changes and offers no further comment or proposed recommended Conditions of Approval.

Should you have any further enquiries in relation to this matter please contact the undersigned at the Bathurst office of the EPA by telephoning (02) 6332 7603.

Yours sincerely

MATTHEW CORRADIN
