Dear Mr Williams

Modification Request 09_0025 – Orange Waste Project – Orange LGA and Cabonne LGA

Thank you for your invitation for the Office of Environment and Heritage (OEH) to comment on the proposed modification to the Orange Waste Project.

OEH understands that the proposed modifications to the original Statement of Commitments and project approval do not involve commitments or conditions related to Aboriginal cultural heritage impacts. OEH also understands that the proposed modifications will not reduce the biodiversity-related compensatory measures implemented under the project approval.

If subsequent information indicates that any areas within the OEH's responsibility require further investigation, OEH may provide future input.

Should you require further information regarding issues that are the responsibility of the OEH please contact Erica Baigent on 02 6883 5311 or erica.baigent@environment.nsw.gov.au .

Yours sincerely
