Dear Mr Williams

MP09_0025 MOD 2: Orange Waste Project

Thank you for your e-mail dated 18 May 2018 referring a modification application to amend discrepancies between the Statement of Commitment for the Euchareena Road Resource Recovery Centre and the approved Transport Code of Conduct. Roads and Maritime Services notes the modification provides correct school bus drop off/pick up times along Euchareena Road. Waste Deliveries from the Ophir Road Resource Recovery Centre to the Euchareena Road Resource Recovery Centre are not scheduled to take place during these periods.

The documentation has been reviewed. Roads and Maritime does not object to the modification and makes no submission.

Please forward a copy of the determination of the modification to Roads and Maritime at the same time it is sent to the applicant. If you require further information please contact the undersigned on 02 6861 1453.

Yours faithfully
