Subject: Extension Request for Greenhouse Gas Mitigation Plan

Dear Mrs McLennan

I refer to your request for an extension of time under Condition 24C of Schedule 3 of MP09\_0062 to submit the Greenhouse Gas Mitigation Plan required by Condition 24C of Schedule 3 of the consent. The current due date for the plan is 16 October 2025.

The Department notes additional time is required to prepare the plan with regard to:

- the updated gas assignment model which is due by the end of September 2025; and
- guidance material from the NSW Environment Protection Authority on Greenhouse Gas Mitigation Guide for NSW Coal Mines, which is currently on exhibition.

Accordingly, the Secretary has granted an extension of time until 31 March 2026 for the submission of the Greenhouse Gas Mitigation Plan.

If you wish to discuss the matter further, please contact Jack Turner on 9995 5387.

Yours sincerely

Stephen O'Donoghue  
Director  
Resource Assessments

As nominee of the Secretary
