Subject: Extension Request for Greenhouse Gas Mitigation Plan

Dear Mrs McLennan

I refer to your request for an extension of time under Condition 24C of Schedule 3 of the consent for the Mt Arthur Coal Extension project (MP09_0062) to submit a greenhouse gas mitigation plan. The Department notes the gas assignment model required under the consent has recently been approved and the model is required to inform the greenhouse gas mitigation plan.

Accordingly, the Secretary has granted an extension of time until 12 June 2026 to submit the greenhouse gas mitigation plan.

If you wish to discuss the matter further, please contact Jack Turner on 9995 5387.

Yours sincerely
