Subject: Rehabilitation Strategy

Dear Mr Salm

I refer to revision of the Rehabilitation Strategy submitted in accordance with Schedule 3 Condition 42 of Mt Arthur Coal – Open Cut Extensions (MP09_0062).

I note the Rehabilitation Strategy:

- has been updated for consistency with the Rehabilitation Management Plan; and
- contains the information required by the conditions of consent.

In accordance with Condition 13A of Schedule 2 of the consent, the Department agrees that consultation is not required for the revision of the plan given the administrative nature of the updates.

Accordingly, as nominee of the Planning Secretary, I approve the Rehabilitation Strategy (V6.2, 15th June 2026).

You are reminded that if there are any inconsistencies between the Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Patrick Worthington at patrick.worthington@dphi.nsw.gov.au.

Yours sincerely
