

Mr S Haddad
Director-General
Department of Planning
GPO Box 39
SYDNEY NSW 2001

Dear Mr Haddad

In accordance with the Minister for Planning's Order dated 5 December 2006, the Pacific Highway upgrade including the section between Wells Crossing and Iluka Road was designated a project to which Part 3A of the Environmental Planning and Assessment Act 1979 applies. The Pacific Highway upgrade was also declared on the same date to be a Critical Infrastructure project. This again includes the section between Wells Crossing and Iluka Road.

The proposed Glenugie upgrade forms part of the overall Wells Crossing to Iluka Road Pacific Highway upgrade, and is therefore considered to be a project to which Part 3A of the Environmental Planning and Assessment Act 1979 applies.

Pursuant to section 75E of the EP&A Act, the RTA is seeking the Minister for Planning's approval for the Glenugie upgrade.

Accordingly, I have included a completed major project application at Attachment A.

A preliminary environmental assessment report is provided at Attachment B. The report includes a project description, a preliminary environmental assessment and identifies potential key issues for the environmental assessment. I trust this information will assist in the formulation of environmental assessment requirements for the project.

The RTA would be pleased to provide further information on the Glenugie upgrade as required. In this regard Adam Cameron may be contacted on (02) 6640 1063 or by email Adam_Cameron@rta.nsw.gov.au. Your assistance in progressing the assessment and approval process for this important proposal is greatly appreciated.

Yours sincerely

B. J. Watters
