Dear XXXXXXXXXXXXX,

**RE: ORCHARD HILLS WASTE & RESOURCE MANAGEMENT FACILITY**

As an extension of its ongoing community consultation program, Dellara Pty Limited, the proponents of the Orchard Hills Waste & Resource Management Facility, wrote to you on 7 June 2010 inviting you to an onsite project briefing and tour at any of the following times:

- Saturday, 19 June 2010: 1:00–4:00pm;
- Wednesday, 23 June 2010: 1:00-4:00pm; and
- Saturday, 26 June 2010: 1:00-4:00pm.

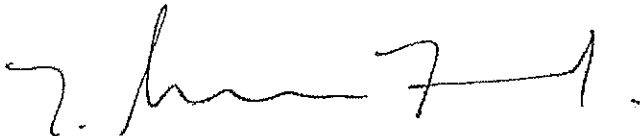

Technical experts will be on hand to explain how the proposed facility will operate and the solutions being developed to optimise its environmental performance.

As the site is still a quarry; strict occupational health and safety regulations must be adhered to and for that reason it is necessary to regulate the number of visitors onsite at any one time.

To attend one of the onsite project briefings and tours, it's imperative you RSVP and indicate your preferred time by calling Aimee Grimmer at Parker & Partners on (02) 8281-3282.

I look forward to your early reply and hope to meet you onsite. In the meantime if you have any queries please don't hesitate to email me at [trent@p-p.com.au](mailto:trent@p-p.com.au).

Yours sincerely,

Trent Mumford  
Community Relations Consultant  
on behalf of Dellara Pty Limited
