Senior Planning Officer  
Department of Planning & Environment

SYDNEY NSW 2001

Dear Mr Tertius Greyling

**RE: Heritage Council comments on a modification application and Environmental Assessment from Champions Quarry, seeking approval to modify its existing approval to install a sand washing plant and undertake associated works (PA 09\_0080 – MOD3)**

---

I refer to your email dated 6 June 2017 inviting comments from the Heritage Council for the above State Significant Development application for a modification that proposes the installation of a mobile sand washing plant, siltation ponds and to undertake associated works at the Champions Quarry.

The Environmental Assessment (EA) prepared by the Department of Planning and Environment, Version 12-12-08, is reviewed and the following comments are provided:

- The proposed development would not impact on any State Heritage Register (SHR) items;
- The Champions Quarry Expansion Heritage Management Plan v. 2.1 (CHMP) for this site was approved by the Department of Planning and Environment in March 2017. The works should follow the heritage management guidance of this CHMP.

If you have any questions regarding the above advice, please contact James Quoye, Heritage Officer, Heritage Division, Office of Environment and Heritage, on telephone: 9873 8612 or email: [james.quoye@environment.nsw.gov.au](mailto:james.quoye@environment.nsw.gov.au).

Yours sincerely
