Dear Julie

Re: Boco Rock Wind Farm

Eden Local Aboriginal Land Council (LALC) have carried out an Aboriginal heritage assessment with New South Wales Archaeology's Julie Dibden on the above named proposed wind farm.

Eden LALC support the recommendations as set out in Julie Dibden's report, and would like to ensure that Eden LALC are involved in the test-pit, salvage and excavation phase as set out in these recommendations.

If you would like any further information regarding the above, please don't hesitate to contact Laurence Bamblett on the above numbers or 0427 961 922.

Yours sincerely
